The CPS experience...

"Getting involved with CPS has changed my life and our club! CPS has delivered several programs for Maroochydore Football Club over the past few years. CPS has enabled our club to secure many grants for club equipment, facilities and programs; achieve many prestigious awards; gain media coverage; access free volunteer education courses; and launch many new programs. Our club, members and volunteers have all benefited. Our partnership will continue for many years to come!"
Tim Sheridan, Coach (and past President), Maroochydore Football Club
